

FULLY AMPLIFIED RAINBOW BRIDGE MEDITATION

Globally synchronized every Silio 28 of the 13 Moon calendar

The purpose of this meditation is to generate a telepathic wave of love that connects ourselves with the center of the Earth, with the bipolar rainbow alternators that hold Earth's magnetic fields in place, and with all of the other planetary kin who are doing the same meditation.

By establishing this world-wide telepathic Earth wave we are creating a matrix of communication which brings the noosphere – Earth's mental envelope – ever closer into conscious manifestation. This matrix also provides a protective field of genuinely positive thought vibrations meant to maintain Earth's resonant field in a state of harmony and peace.

The goal of this meditation exercise is to actually manifest Earth's Rainbow Bridge – the day-night alternators of Earth's magnetic field.

This Rainbow Bridge is the bridge of peace long prophesied that will permanently connect the third-dimensional Earth with the fourth and higher dimensions, assuring a peace and harmony that will not be able to be broken.

In order that all beings may participate in this meditation whether or not they have ever heard of the synchronic order, we offer this universal version of the Rainbow Bridge World Peace Meditation.

FULLY AMPLIFIED RAINBOW BRIDGE MEDITATION

Globally synchronized every Silio 28 (22 Aug, 19 Sep, 17 Oct, 14 Nov, 12 Dec, 9 Jan, 6 Feb, 6 Mar, 3 Apr, 1 May, 29 May, 26 Jun, 24 Jul)

You may do this alone or in a group – early in the day is best, but whenever you do it is fine. If you are in a group, gather in a circle if you can, seated on the ground or floor if possible, with your legs crossed.

Take a few deep breaths, inhaling what is negative, and transmuting that within yourself and then exhaling what is positive and purifying.

Then close your eyes. Visualize that you are in the center of the Earth. Then visualize the giant octahedron crystal core.

Four faces of the crystal end in a point along the North polar axis. The other four join at a point aligned with the South polar axis.

Surrounding the giant octahedron crystal is the Earth's inner membrane, like a drum resonating the surface of the outer Earth. The Northern half of the crystal has two red and two white faces; the Southern half has two blue and two yellow faces.

Now go inside the crystal.

In the center of this giant crystal is an intensely blazing point of white light. An etheric column or axis of light extends North and South from the blazing center point through the tips of the octahedron going on to the North and South poles at the Earth's exterior.

Around this etheric vertical magnetic axis of light, are two intertwined flux tubes through which plasmic energy is continuously passing.

Coiled around each other like the two strands of DNA, the flux tubes are red and blue in color. They deliver plasma – electrically charged ions – to the blazing point at the center of the Earth.

Strung on the northern axis of this column of light with the two flux tubes wound around it is the red time atom. Around the southern axis of light is the blue time atom.

The red and blue polar time atoms turn in opposite directions to each other, the red northern time atom in a clockwise direction, the blue southern time atom in a counterclockwise direction.

The time atoms consist of seven points: a center point, two points at either end of the vertical axis, and two points each – four points in all – equidistant to each other on either side of the central axis. The six outer points of the time atoms are almost in the shape of a hexagon, a six-sided figure.

The gravitational plane of the octahedron crystal, emanates horizontally out from the blazing luminous center of the crystal, extending to the four points that mark the edges of the crystal, where the four northern and four southern faces of the octahedron meet.

The gravitational plane connecting these four points is like the base of two pyramids – one pyramid extends from this base with four faces to the northern point of the octahedron, and the other four faces to the southern point.

Along this gravitational plane exactly opposite each other are two more time atoms: a white one and yellow one. These two gravitational time atoms are constructed just as the red and blue polar time atoms, except that their two axial points are aligned with the gravitational plane, lying on their side as it were and perpendicular to the polar time atoms.

These white and yellow time atoms turn around like paddle wheelers making a slow circular motion, counterclockwise, from left to right around the central point of blazing luminosity.

Once you have visualized the octahedron crystal core of the Earth with its eight faces, four time atoms, etheric column of light and two flux tubes, then visualize that from the center of the crystal a great stream of multicolored plasma filled light shoots up in both directions toward both of Earth's poles.

Now you have gone from the center of the Earth to a point out in space where you are seeing the whole Earth. While you can still see the crystal octahedron at the center of the Earth, at the North and South poles the stream of light shoots out to become a great double rainbow bridge – the day alternator and the night alternator of Earth's magnetic field made visible.

Two rainbow streams connect the North and South Poles of the Earth, exactly 180 degrees apart from each other. As the Earth slowly revolves on its axis, this rainbow bridge remains steady and constant, unmoving.

Once you have completed the visualization take the whole Earth revolving beneath the rainbow bridge and place it in your heart. Imagine the two streams of light shooting out through your central column above your head and beneath your feet. Now they make a similar rainbow bridge around your body, holding your aura in place.

Now you and the Earth are one. The Rainbow Bridge of World Peace is real.

There is a science behind all of this. See "Charming the Rainbow Serpent" on www.noosphereforum.org. What exists at first in the imagination, visualized by enough people in a telepathic wave of love, will in time become a reality.
