

COSMIC DRUM TRANCE Celebration Ceremony,

NS1.39: White Magnetic Wizard, kin 14,
September 9, 2026
7 p.m. (arrival time 5 p.m.)
Crystal Park, Gesso, San Marino, Italy

Coordination and Vision by Avani, Kin 55
and Giovanna, Kin 132.

We will start in the occult quartet, Blue Cosmic Hand, with the Prayer to the 7 Lakota Directions clockwise and counterclockwise the prayer to the 7 Galactic Directions.

This Cosmic Drum Trance aims to harmonize our heartbeat with that of the Earth, the “Aboriginal Continuity,” and the 13 galactic pulsations of “Cosmic Awareness,” activating the two Planetary Manitou and attuning us to the memory of the Divine Interval, 41.

Two opposite polar directions — the aboriginal and the cosmic, the simple and the complex, the heart and the mind, space and time, the sphere and the cube. Different informational fields to be integrated into a coherent hyperorganic, radiosonic awareness, allowing us to walk our thoughts, words, and actions as cosmic planetary wizards.

This call, “Cosmic Drum Trance,” is the flowering of the seed vision born in Oregon at the planetary gathering of the Kin with José Argüelles and Lloydine Argüelles. What followed was the organization of a gathering in Peru among rainbow caravans, galactic tzolkins, leaders of various ceremonies, men and women of medicine from many traditions, and explorers of neuroscience: “The Call of the Condor,” attended by 720 people from 32 countries through the efforts of José Argüelles and Alberto Ruz.

At the closing ceremony, around the offering altar known as the “Pago,” the Condor and the Eagle appeared from two opposite directions above us, to the exultation of the entire circle, as if affirming the harmonization of the various polarities.

The Vigesimal Round Table was born three solar rings ago from the need to learn how to sit around a round table — symbol of Camelot, genesis of the moon — where the focus is directed toward the center, the Holy Grail, which for us is the mapping of the various matrices that we translate into dot-bar vigesimal notation.

The last Tzolkin, the harmonic cycle of 260 Kin days, opened the informational field of learning to harmonize the aboriginal and the cosmic. Then, on a starry night, the thunder spoke: the space-time had arrived for a Cosmic Drum Trance.

We immediately contacted Mariano Romano, Sungmanitu Kota Kilowampi — “Gray Wolf Sings for You” — ceremony leader who received the altar from Cetan Hawk Woman, leader of the Lakota Oglala tradition and lineage of Crazy Horse. Since 1998, Mariano has walked with the 7 values and all 7 rites of the White Buffalo Woman tradition. We are deeply honored that he will guide us in this Cosmic Drum Trance.

Along with the drum medicine, the 13 pulsations will be rhythmically played, the galactic tones of cosmic creation, in particular the two pulsars: the four-dimensional pulsar: 1-5-9-13 and the overtone pulsar: 1-6-11, to create radiosonic geometries. These musical instruments were created by Joga Dass in agreement with José and Lloydine Argüelles.

To reach a state of Trance it is essential to continue to keep the same beat in continuous mode so that all vibrations, frequencies, begin to connect and create a vortex, an entire resonant wave composed of dancing particles that will start to move in unison.

Forever grateful to the Foundation of the Law of Time, Stephanie South and José Argüelles for the realization of the 7 volumes of Cosmic History that allow us to expand our cosmic perception.

Out of respect for the nature of this ceremony, animals and children cannot attend, as all participants will be engaged in maintaining the rhythm throughout the experience.

Thank you always.

IMPORTANT NOTE

For all those who will not be able to attend in person at Parco Cristallo, there are two options.

First option: Create the Cosmic Drum Trance in your own territory, following the various points listed above. In addition, a fire should be placed at the center of the circle and, according to Mariano, approximately 500 kg of wood will be needed.

Second option: Alone or in a group, connect with the element of fire — even with a simple candle — to meditate, dance, or play the instrument you feel most connected to. What matters most is creating a rhythmic pulse: an intense signal of gratitude.

Guide to attune with the Cosmic Drum Trance: a planetary call to harmonize our polar, dissonant, and separated inner parts, remembering our original “agreement with God” and reconnecting with the understanding that everything is connected — our world and that of our ancestors, traditions, and teachings.

We are here to be bridges between heaven and earth, mind and heart, humanity and nature, feminine and masculine, all directions, the crystal heart of our planet, and the infinite pulsation of the universe.

The celebratory ceremony begins at 7 p.m. with the prayer to the seven Lakota directions clockwise, followed by the prayer to the seven Maya directions counterclockwise, and then the trance.

At Parco Cristallo, on September 9th, White Magnetic Wizard, Kin 14 we will gather from 5 p.m. onward to light the fire, embrace one another, burn sage or palo santo, and prepare to connect with our own center and the center of the circle.

We are preparing a sound track with pulsations and drums that we will send to you together with the meditation of the Natural Mind by José Arguelles.

INVOCATION TO THE 7 DIRECTIONS

From the East, home of Light, may wisdom dawn upon us so that we may see all things in clarity.

From the North house of night, may wisdom ripen in us, so that we may know all from within.

From the West, house of transformation, may wisdom be transformed into right action so we may do what must be done.

From the South, house of the eternal sun, may right action reap the harvest so that we may enjoy the fruits of planetary being.

From Above, house of heaven, where star people and ancestors gather, may their blessings come to us now.

From Below, house of earth, may the heartbeat of her crystal core bless us with harmony to end all war.

From the Center, galactic source, which is everywhere at once, may everything be known as the light of mutual love.
